## Century Unit

Price includes 24"x 18" panel with 1" angle iron frame

5-10	11-25	26-75	76-99	100+
35.00	32.50	29.60	27.25	24.90

All Century Unit sign panels are made from rust-proof aluminum with a baked on enamel finish. All printing is done with thermo-setting acrylic inks and baked on to ensure outdoor durability. Once printed, our sign panels are laminated for better U.V. and scuff protection.

Riders are easy to install with no hardware - just slide them in and the spring-loaded clips will keep them securely in place until you are ready to change them out.

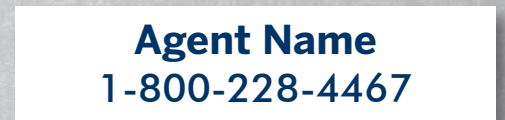

## Stock Rider | 24"x 6"

24"x 6"	5	10	15	25+
	6.75	5.60	4.45	3.95
